

# Food Web

## Assembly Instructions

Listed below are the components of the Food Web and instructions for preparing to do the Food Web investigation.

### Parts Checklist

The following items are provided with the Food Web:

- Food Web cards
- string

In addition, you will need:

- scissors
- measuring tape

### Preparing the Food Web Cards

1. Cut 32 pieces of string to 2' lengths.
2. Lace string through holes in Food Web cards and knot to create a necklace.
3. Use remaining string for the Food Web investigation.

**For activities and additional setup instructions,  
refer to your *Teacher's Guide*.**
